Summerland Power Outage

Summerland is experiencing an unplanned power outage that is affecting approximately 3/4 of Summerland. The problem is in the FortisBC Substation on Prairie Valley Road but the actual cause has not yet been identified. FortisBC and the Summerland Electrical Utility are on-site working to resolve the issue. There currently is no estimate as to the length of the outage. Further information will be provided when it becomes available. The District of Summerland's website and Facebook page will be updated as soon as information is available.
