

## **POLICY STATEMENT AND REGULATIONS**

Number: 400.1

### CLEANING CREEKS AND BREAKING ICE

The Corporation of the District of Summerland will undertake a program to prevent flooding of certain creeks.

### REGULATIONS AND PROCEDURES

1. The Municipality will undertake a program to clean creeks and to break ice on creeks where:
  - that creek is situated on Municipal property; or
  - Rights-of-way have been registered granting the Municipality the right to enter onto private lands for such purpose.
2. All creeks situated on private lands where no rights-of-way have been granted to the Municipality will not be maintained by the Municipality with respect to cleaning, breaking ice or otherwise.

ADOPTED: February 24, 1992
