

# District of Summerland Curbside Collection Map

## 2012 CURBSIDE GUIDE

In order to increase recycling opportunities and to reduce landfill costs, the District of Summerland is mandating the separation of certain wastes from the general waste stream. By banning mixed loads, and separating out those items that can be recycled, we will reduce the volume of materials being placed in the landfill. The following recyclable materials can be placed in the landfill at NO CHARGE when separated and placed in the correct location.

- **Appliances with Freon and other consumer appliances** - washers and dryers, stoves, dishwashers, hot water tanks, and refrigeration units
- **Small Electrical Appliances and Television Sets**
- **Electronic Waste** - computers and accessories
- **Propane Tanks and Batteries**
- **Clean Scrap Metal** - sheet metal, siding, roofing, rebar, flashing pipes, window frames, furnaces, duct work, wire cable, bathtubs, fencing, bicycle frames, automotive body parts, machinery, metal furniture, and tire rims
- **Separated Yard and Wood Waste** - first 500kg is free, must be clean organic materials such as lumber, branches, plywood, particle board, tree stumps, prunings, grass, flowers, leaves, which are free of non-wood materials such as creosote, rocks, metal, heavy coats of paint, wire, fiberglass, or asphalt roofing materials
- **Oil, Oil Containers and Oil Filters** - can be dropped off at the landfill oil drop-off site

**Earth Week in Summerland is April 16 to April 22, 2012**

Earth Week 2012 gives people the opportunity to join *together* for positive, ecological change. The choices we make now will affect future generations to come. Please recycle and conserve energy for Earth Week 2012. Watch the monthly newsletter for activities and dates.

Garbage, yard and garden waste and blue bag recycling must be placed at the curb by 7:00 am on your regular collection day.

Garbage is collected weekly. Maximum 2 bags per household per week. Bags must not exceed 25kg each (55lb). Extra Bag tags may be purchased at Summerland Municipal Hall, Engineering and Public Works, or the Landfill for a cost of \$1.50 each.

Blue Bag Recycling is collected bi-weekly on your regular garbage day, with no bag limit. Blue bags must not exceed 25kg each.

Yard and Garden Waste will be collected during the weeks indicated below on your regular garbage day. Place yard waste in Kraft Bags or Containers marked with a "YARD WASTE ONLY" decal. Kraft Bags or Containers must not exceed 25kg (55lb).
