

District of Summerland

"Building a Unique Community with Quality, Efficiency and Respect"

Engineering and Public Works

April 30, 2009

COMPOST SALES

The District of Summerland will load vehicles with compost that require assistance Tuesday to Friday between the hours of 8:30 a.m. and 2:30 p.m. and Saturday between the hours of 9:30 a.m. and 3:00 p.m.

It is the responsibility of the operator of the vehicle being loaded with compost to ensure that the vehicle being used is not loaded beyond what is believed to be the vehicle's safe carrying capacity. The District of Summerland accepts no responsibility for any damage incurred to or as a result of the vehicle being loaded up to or beyond its safe carrying capacity. The District of Summerland reserves the right to refuse to load any vehicle and/or to limit the volume of compost that is loaded into a vehicle.

Please call ahead to the Summerland Sanitary Landfill at 250-494-0583 to confirm that the quantity of compost and that the equipment is available.
