

Water Advisory Committee
Agenda
Wednesday, Jan 6, 2016 at 6:00 PM
Council Chambers, Municipal Hall

1. Call to Order
2. Adoption of Agenda
3. Approval of Minutes previous meetings Dec 2 & 4, 2015
4. New Business – discuss options for irrigation scheduling and water conservation – please review slides from presentation by Dr Denise Neilsen sent by Richard Oct 30/15
5. review ctte resolution of November Nov 4/15 on irrigation rate structure:

Be it resolved that the Water Advisory Committee recommend that the irrigation rate system for irrigation water include the following:

- *a base allocation of 800 mm of water*
- *a per acre fee*
- *a notification process to warn an irrigator when they get close to their base allocation*
- *a cut off process if the base allocation is reached with an inclined block fee structure for over allocation consumption*
- develop resolution on under 2 acres irrigation rate structure

6. Next Meeting and Agenda

7. Adjourn

please note the public is always welcome at our meetings
