### Zoning Text Amendment:

*Bylaw No. 2017-021*

An application was received from the proposed purchasers of Glenfir School to add a dormitory housing use to the I – Institutional zone to allow for the reopening of the school as an international school and the construction of a student dormitory building on site.

The proposed zoning bylaw amendment would include the addition of 'dormitory' as a defined use to the bylaw, and would see this use added as an accessory use to the I – Institutional zone.
