

## How to Use Your Carts

A few tips that will make using your carts even easier:

- All materials must fit within the carts completely with the lids securely closed;
- Find a clearly visible and accessible area to put carts out for collection. Avoid setting carts behind parked cars;
- Do not block bicycle lanes or sidewalks. Carts must not be an obstacle for cyclists and pedestrians;
- To reduce conflicts with wildlife, please do not place your carts out before your collection day and do not store garbage unsecured outside overnight;
- Carts placed in lanes must be placed at ground level in a clearly visible location one metre away from any fence or wall;
- It is recommended to wash your carts from time to time as required to maintain their cleanliness and appearance.

### 7:00am Collection Time

Please ensure your carts are placed at their designated collection site no later than 7:00am on your scheduled collection day.

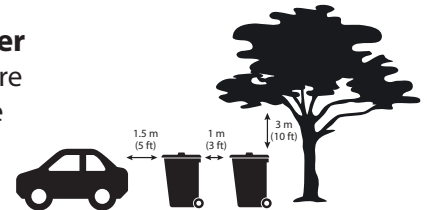

### Cart Placement

Park your cart on the street, with the wheels against the curb, or on the shoulder (if no curb). Point the arrow on the cart lid towards the street.

### Spacing – Leave a Buffer

Place your cart so that there is at least 1m (3ft) of space on all sides and 3m (10ft) of clearance above. Do not park vehicles within 1.5m (5ft) of cart.

### Retrieving Emptied Carts

When emptied, please remove the carts from the street or shoulder and return them to a safe/secured spot on your property.

## Be Cart Smart – Sort it Right!

### YARD AND GARDEN WASTE

- Yard and garden waste only
- Picked up every other week

### RECYCLING

- For items previously placed in your blue bag
- Picked up every other week

### GARBAGE

- For everything that cannot be placed in the other carts or taken to the Summerland Landfill Recycling Depot
- Picked up every week

## REMEMBER

**DON'T START USING YOUR NEW CARTS UNTIL**

# Cart Collection Essentials

CARTS	PREPARATION	ACCEPTED	NOT ACCEPTED
<p><b>GARBAGE:</b> Black Lid WEEKLY curbside collection of garbage.</p> 	<p>Garbage only. All material must fit in cart with lid closed.</p>	<ul style="list-style-type: none"> <li>• Grass clippings</li> <li>• Leaves</li> <li>• Weeds</li> <li>• Plant trimmings</li> <li>• Prunings and branches up to 5cm (2in) in diameter AND less than 1m (3ft) long</li> <li>• Pine needles &amp; cones</li> <li>• Fruit droppings</li> </ul>	<ul style="list-style-type: none"> <li>• <b>NO</b> plastic or compostable bags</li> <li>• <b>NO</b> animal feces or kitty litter</li> <li>• <b>NO</b> dirt, sod, rocks or tree stumps</li> <li>• <b>NO</b> kitchen or food waste</li> <li>• <b>NO</b> diapers</li> <li>• <b>NO</b> used tissue or paper towels</li> <li>• <b>NO</b> regular garbage</li> <li>• <b>NO</b> construction or renovation materials</li> <li>• <b>NO</b> agricultural or commercial waste</li> <li>• <b>NO</b> landscape fabric or plastic edging</li> <li>• <b>NO</b> plastic flower pots (<i>recycle in blue lid cart</i>)</li> </ul>

# Collection Solutions

## Waste Not Collected?

**Not having all your items picked up can be frustrating, but there is often an explanation.**

Common reasons for items being left behind:

- Carts must be spaced a **minimum** of 1 m (3ft) away from each other, and 1.5m (5ft) from any obstacles such as vehicles or trees;
- Items not set out on time (must be at the curb by 7:00am on scheduled collection day);
- Cart is overfilled or lid is not closed;
- Presence of prohibited waste;
- Contamination of recyclables with garbage or yard waste;
- Contamination of yard waste with garbage or recyclables;
- Carts not accessible or hidden from view;
- Recycling or yard waste not scheduled for collection that particular week.

**Contact Waste Connections of Canada at 250-490-3888 to address missed collections.**

## Find the Right Fit

**Are you exceeding the capacity of any of your carts?  
Are you finding any cart is too large for your needs?**

There are different sizes available for all three carts: 120L, 240L, 360L.

All cart size changes are subject to an administration fee. Increased sizes for garbage or yard waste have an additional annual fee. Larger recycling carts are free!

Residents can decrease their cart sizes at any time with no additional cost. Additionally, if you have little to no yard waste and would like to return your cart, it can be picked up at no cost.

To avoid the need to upsize your carts, residents are encouraged to:

**Compact your materials as much as possible before placing them into the bins**

- Break down boxes
- Crush milk jugs
- Choose products with less packaging
- Donate good condition items
- Take advantage of the many recycling programs available at the Summerland Landfill Recycling Depot
- Grasscycle (leave cut grass on the lawn – also reduces fertilizer and water use!)
- Compost yard waste by itself, or you may add kitchen scraps
- Reuse or repurpose where possible

## Excess Yard and Garden Waste

**For properties which produce lots of yard and garden waste**

A 360L cart is available for Yard and Garden waste. This cart holds the equivalent of 3-4 completely full large Kraft bags (110L). If you have more material than fits in the cart one week, several options exist:

- Extra material can be held back until the next scheduled yard and garden waste pick up (every 2 weeks between March and December).
- Residents can drop off loads of up to 500kg of yard waste at the Summerland landfill at no charge.
- Yard and garden waste tag-a-bags can be purchased and affixed to approved customer-supplied containers weighing up to 25kg: Kraft bags; rigid plastic or galvanized metal cans up to 95L; Cart-type containers capable of being automatically lifted by the Contractor's collection vehicle; bundles of tree trimmings or prunings cut to a maximum of 1m (3ft) in length and securely tied with twine or string.

Residents are encouraged to grasscycle and to compost their yard and garden waste, keeping nutrients on site and reducing water use!

## Moving? Cart Damaged?

**Carts are District of Summerland Property**

If you sell your property and move, or give up tenancy, your carts shall remain at the property. If you purchase a house and would like to change the cart sizes that exist, you can request a change by visiting Municipal Hall at 13211 Henry Avenue.

Please note that changes to the cart sizes can only be authorized by the registered property owner. Also note that some changes to cart sizes are subject to fees. Please consult the most recent Fees and Charges Bylaw for pricing.

If your cart is damaged and requires repairs, contact Waste Connections of Canada at 250-490-3888.

## Extra Garbage or Yard Waste?

Display a Tag-a-Bag sticker clearly on each extra bag over the cart limit. Place at the curb along with your cart on your regular collection day.

Purchase your tags at Municipal Hall or the Works and Utilities Department. For up-to-date pricing, visit [www.summerland.ca](http://www.summerland.ca) or call 250-494-0431.
