Seeking Input on the Summerland Rodeo Grounds

SUMMERLAND – The District of Summerland is hosting a Public Open House to gain community input on the long-term vision for the Summerland Rodeo Grounds.

The Open House is scheduled for Wednesday November 23 from 4:30 – 6:30 pm (drop-in anytime) at the Summerland Rodeo Ground Clubhouse at 18707 Bathville Road.

The Summerland Rodeo Grounds is a 74-acre rustic special-purpose park facility with two riding rings, grandstands, animal stalls, clubhouse, seasonal concession cook shack, seasonal washroom building with showers, and large open spaces. The facility is used for equine activities, clinics and events, rustic weddings, family reunions, special events and staging areas for sporting events.

The property is also a main trailhead for an incredible network of trails used for walking, running, mountain biking, horseback riding, dog-walking, and snowshoeing on the Trans Canada Trail and Conkle Mountain.

The expected outcomes of the Summerland Rodeo Grounds Master Plan are to:

- Provide a long-term vision for this property.
- Provide staff with direction on property operations and management.
- Provide recommendations for operational requirements and capital investments including costing over the next 15 years.

Collecting public input is an important first step in the process. The community is invited to participate by attending the Open House on November 23 or completing an online survey which will be open between November 23 – December 15.

For more information on the project and to complete the survey (posted on November 23) please visit www.summerland.ca/rodeo-grounds-master-plan
