Boil Water Notice – Partial Rescindment

The District of Summerland's Boil Water Notice has been partially rescinded for all areas of the District of Summerland **with the exception of Trout Creek.**

The Boil Water Notice **remains in effect for the Trout Creek area**, as identified in orange on the attached map, until further notice.

Interior Health and the District of Summerland recommend that **all users in the Trout Creek Area** use water that has been boiled or use a safe alternative. Water should be boiled for one minute and allowed to cool before use.

Residents of the Trout Creek Area will be notified when the Boil Water Notice has been lifted.
