

PROHIBIT ENTRY ORDER

September 29, 2026

Whereas a declaration of a state of local emergency was declared on August 7, 2026 by the District of Summerland pursuant to Section 95 of the *Emergency and Disaster Management Act* due to wildfire impacts within the District of Summerland;

And pursuant to Section 107(1)(b) of the *Emergency and Disaster Management Act*, this **Prohibit Entry Order** has been issued by the District of Summerland due to the immediate and ongoing danger to life safety caused by the wildfire impacts which pose a risk to health, safety, and well-being of persons.

This Prohibit Entry Order is effective as of September 30, 2026 at 12 noon and is in effect for the following areas

- 11709 Mott Street
- 13420 Mott Street

- 28000 Garnet Valley Road
- 28818 Garnet Valley Road
- 25208/25210 Wildhorse Road
- 25804/25808 Wildhorse Road

YOU MUST NOT ENTER THE AREA

Members of the local police department or other applicable agencies will be enforcing this order.

A person must not enter the area identified above for purposes of occupying or visiting the area.

Despite the above, the registered property owners, their designates, or peoples authorized by the District of Summerland, may enter and occupy the area described in this order.

The State of Local Emergency remains in effect.

Why is the Prohibit Entry Order necessary?

While residents are being provided with greater flexibility to manage their personal recovery, post-wildfire impacts and associated hazard assessments are ongoing. Restricting access to authorized individuals help ensure that recovery activities can continue safely, efficiently, and securely while supporting the restoration of services and infrastructure.

Limiting unnecessary traffic and activity in the affected area will:

- Protect damaged homes, properties, and infrastructure.
- Support the ongoing work of emergency responders, utility crews, contractors, and recovery personnel.
- Reduce congestion and safety risks in areas where hazards may still exist.
- Help maintain the privacy, security, and well-being of residents as they recover from the impacts of the emergency.

The District of Summerland appreciates the patience, resilience, and cooperation of affected residents as recovery efforts continue. These measures are intended to support property owners, protect the community, and ensure that recovery can proceed as safely and effectively as possible.

Please note that an Evacuation Order or Alert may need to be reissued; however, if that is deemed necessary, the Evacuation Order or Alert process will be recommenced.
