

SENIOR BUILDING INSPECTOR

Summerland is a friendly town located in the heart of the Okanagan Valley with a population of approximately 11,600 residents. Our easy access to beautiful beaches, scenic biking and hiking trails, mountains and vineyards, and our warm community spirit help make Summerland a desirable place to raise your family where others come for a vacation!

Reporting to the Director of Development Services, Summerland is currently seeking a qualified Senior Building Inspector to undertake a leadership role within our Building team and guide the increased building activity in our growing community. The individual must not only meet the technical requirements of the position but possess the ability to manage multiple priorities, develop a positive working relationship with the building industry, and enjoy a variety of responsibilities from completing basic inspections to difficult and technically advanced development applications.

This is an excellent opportunity for a strong leader to serve as the District's authority on the BC Building Code, liaise with stakeholders in the building process, and provide guidance and take action to ensure compliance with all applicable codes and regulation.

Please view our website at www.summerland.ca for a complete job description and the required qualifications. This is a fulltime CUPE position and offers an hourly rate of \$43.25 – \$45.52 per hour as well as a competitive benefits package and pension.

Interested applicants please email a resume and cover letter in pdf format, quoting Competition No. 19-06, by Monday, February 11, 2019 to hr@summerland.ca.

We thank all applicants for their interest; however, only those candidates selected for further consideration will be contacted.
