

Strong Partnerships Drive Summerland Infrastructure Upgrades – ICBC Road Safety Grants (\$97,300)

SUMMERLAND – The District of Summerland is pleased to share a series of success stories in advancing community infrastructure, thanks to valued partnerships with ICBC, FortisBC, TELUS, and the Royal Canadian Legion. These investments demonstrate the power of collaboration in making Summerland safer, more accessible, and more vibrant for residents and visitors alike.

ICBC Road Improvement Program – \$97,300 in Grants

Through the 2025/2026 Road Improvement Program, ICBC has committed **\$97,300** toward critical road safety upgrades in Summerland.

- **Victoria Road South & Dale Meadows Road – \$31,000**
Multi-use pathway, curb extensions, key intersection crosswalks, and a Rectangular Rapid Flashing Beacon (RRFB).
- **Wharton Street & Victoria/Main Intersection – \$29,800**
New sidewalk, raised crosswalks, curb extension, and a raised intersection for safer pedestrian crossings.
- **Prairie Valley Road – \$36,500**
Reconstruction to include multi-use paths, new crosswalks, concrete curbs, and barriers to improve sightlines and connect neighbourhoods to the downtown core.

Quote:

“These projects reflect our commitment to safer, more accessible streets for all transportation users. Maintaining and investing in our infrastructure—especially our road network—remains a top priority for our community. We appreciate ICBC’s continued support in bringing these improvements to life.”

~ Mayor Doug Holmes
