

## **Plumber Full Time Position**

If you are a self-starter who enjoys prioritizing and planning your work in an ever-changing environment, this position is for you! The District of Summerland has an exciting opportunity for a qualified Plumber. The Plumber performs design, installation, maintenance, alteration, and repair to the District's plumbing equipment and systems, including residential and agricultural water meters and industrial, commercial, institutional, and residential cross connection control assemblies as well as basic maintenance and troubleshooting of issues with HVAC systems within District facilities.

If you are interested in working together with a group of skilled and dedicated individuals in a full-time CUPE position at the District of Summerland, please visit [www.summerland.ca/jobs](http://www.summerland.ca/jobs) for full position details. Remuneration includes an hourly rate of \$33.31 to \$35.76 (2022 rate) and a competitive benefits package and pension.

Qualified applicants are requested to forward their resume and cover letter (in pdf format) to [hr@summerland.ca](mailto:hr@summerland.ca) by Sunday, December 12, 2021.

*We thank all applicant for their interest, however, only those candidates selected for further consideration will be contacted.*
