Advance Irrigation Application

I, _____ of _____
(name) (address)

hereby make application to the District of Summerland to have the irrigation water supply turned on in advance. Irrigation water will be used for water source only, i.e. planting new trees, vine stock, etc. and is not intended for irrigation purposes at this time.

Service Address: _____

Owner: _____ Roll No. _____

I agree to be governed by any such bylaws as may be in effect in the District of Summerland relating to this service.

I absolve the District of Summerland from any damage to the irrigation service line and meter that may occur as a result of freezing temperatures. I will take suitable measures to protect the standpipe and meter from freezing. The running of water on a continual basis will not be considered a preventative measure.

I hereby request the irrigation service to be turned ON _____
(date)
