

BUILDING INSPECTOR II

Nestled in the heart of the Okanagan Valley, Summerland is a picturesque community with a population of approximately 11,600 residents. The District of Summerland boasts a warm, friendly atmosphere along with beautiful outdoor opportunities and a great quality of life. All can enjoy easy access to spectacular beaches and parks, scenic biking and hiking trails, beautiful orchards, vineyards and mountains.

The District of Summerland has an excellent opportunity for a highly skilled Building Inspector. Reporting to the Director of Development Services, the incumbent will perform building plan review and inspections to ensure compliance with the British Columbia Building Code and applicable District Bylaws.

The successful candidate will be part of a team, must exhibit excellent organizational, verbal and written skills, and have the ability to work well with staff, design professionals, contractors, developers and the public. A thorough knowledge of the current BC Building and Plumbing Codes, Building Bylaws, methods, practices, materials and procedures related to the construction of residential, commercial, institutional, industrial facilities or other structures is required along with:

- A minimum Level II Certification issued by the Building Officials Association of BC (Level III preferred);
- Minimum Level I certification from the Plumbing Officials Association of BC;
- Post-secondary degree or diploma in a field related to building construction or equivalent supplemental courses;
- Five years of inspection experience;
- Valid B.C. Class 5 Driver's License.
