Schedule 'I'
Extension Irrigation Application

I,_____ of _____
(name) (address)
hereby make application to the Corporation of the District of Summerland to have the irrigation water supply extended, which services the following described property:

Service Address: _____

Owner:_____ Roll No. _____

I agree to be governed by any such bylaws as may be in effect in the District of Summerland relating to this service.

I absolve the District of Summerland from any damage to the irrigation service line and meter that may occur as a result of freezing temperatures. I will take suitable measures to protect the stand pipe and meter from freezing. The running of water on a continual basis will not be considered a preventative measure.

I hereby request the irrigation service to be turned OFF _____
(date)

Signature: _____
