SCHEDULE "O"
SEWER FEES AND CHARGES (EFFECTIVE JANUARY 1ST, 2023)

SEWER OPERATING AND MAINTENANCE USER FEE

The sewer operating and maintenance user fee is charged for each unit of sewer effluent discharged. One unit is defined as 900 litres per day which is equivalent to the amount of effluent discharge from an average single family residential dwelling. All users of the sewer system are subject to the charge with the amount of the charge calculated on the estimated sewer effluent discharge of the user.

The user fee will be charged on a monthly basis with a minimum charge of one unit.

Per unit sewer operating and maintenance user fee: \$36.72 per month

Apartment rate sewer operating and maintenance user fee: \$22.04 per month

A two percent (2%) penalty will be applied to the sewer operating and maintenance user fee if paid past the due date as indicated on the utility billing each month.

SEWER CAPITAL USER FEE

The sewer capital user fee is charged for each unit in excess of one unit of sewer effluent discharged. One unit is defined as 900 litres per day which is equivalent to the amount of effluent discharge from an average single family residential dwelling. All properties within the sewer specified area are subject to the charge.

The sewer capital user fee will be charged on an annual basis at the rate of \$225.00 per unit for each unit in excess of one.
