

Hydrant Use Permit

I, hereby make application to the District of Summerland to have a certified hydrant adapter with backflow prevention device (supplied by applicant) installed at or near the following property:

Street Address _____

Purpose of request _____

Hydrant Use start date _____

Hydrant Use finish date (approximate) _____

I absolve the District from any damage to the hydrant and/or adapter that may occur as a result of damage (including frost damage) and/or vandalism.

The District of Summerland will invoice the Customer as per the service fees noted in the Water Utilities Bylaw. The current service fee for hydrant use permit is \$43.69 plus \$12.40 per day plus GST.
