This Request for Proposals (the “RFP”) is organized into the following parts:

- **Part B: The RFP Process** – the process for submissions, evaluation, and award of the Contract
- **Part C: The Consulting Services Agreement** – a sample of the Contract the District will enter into with the selected Consultant

Part A: The Services

This Part A provides detail on the services required by the District of Summerland. Proponents should ensure they are fully capable of providing all of the work and deliverable outlined, as this section will form the Scope of Work in the Agreement.

1. Background:

1.1. The District of Summerland:

The District of Summerland (the “District”) is a municipality of 11,615 residents located in the Okanagan Valley in southern British Columbia, with an unparalleled blend of rural, agricultural and urban living.

Further details on the District can be found at www.summerland.ca

1.2. The District’s Climate Action Planning Project:

During 2019, the District will be carrying out a climate action planning project in line with the Federation of Canadian Municipalities’ Partners for Climate Protection milestone framework in order to reduce both corporate and community-wide greenhouse gas emissions. The project aims to achieve significant emission reductions by providing pragmatic, evidence-based 5-year action plans including both a Community Action Plan (“CAP”) and a Corporate Energy and Emissions Plan (“CEEP”). Furthermore, two operational documents will be developed, which will feed into the CEEP: Building Energy Audits, and a Green Fleet Action Plan.

The Scope of Work for the Consultant selected as a result of this RFP process will be the *Green Fleet Action Plan*, as further detailed in this Part A, which will feed into the CEEP. Note: the CEEP and Building Energy Audits will not be part of the scope of work under this RFP and will be completed by others, however the Consultant will need to consider how the outputs of the Green Fleet Action Plan integrate into the CEEP.

The timeline for the overall project, including the CEEP, Building Energy Audits, and Green Fleet Action Plan is as follows:

Summerland Climate Action Plan Project Timeline:

	Jan	Feb	Mar	Apr	May	June	July	Aug	
Green Fleet Action Plan	[Blue bar from Jan to June]								
Building Energy Audits*		[Blue bar from Feb to June]							
CEEP*	[Blue bar from Jan to Aug]								
CAP*	[Blue bar from Jan to Aug]

part of this RFP. Proponents are solely responsible for checking for Addenda up until the Closing Date and Time. If the District deems it necessary to issue an Addendum after the Last Day for Issue of Addenda, as detailed in Section 1.4 of this Part B, then the District may extend the Closing Date and Time in order to provide Proponents with more time to complete their Proposal.

Proposals must confirm receipt of all Addenda in Part D, Appendix A – Certification Form of their Proposal.

8. Evaluation of Proposals & Award of Contract:

The District will conduct the evaluation of Proposals and selection of a successful Proponent in accordance with the process detailed in this Section. Evaluation of Proposals will be by a Proposal Evaluation Committee. The District's intent is to enter into a Contract with the Proponent who has met all mandatory criteria and minimum scores, and who has the highest overall ranking based on this evaluation process.

8.1. Mandatory Criteria:

Proposals not clearly demonstrating that they meet the following mandatory criteria will be excluded from further consideration in the evaluation process.

Mandatory Criteria:	
1	The Proposal must be received by the Closing Date and Time, in accordance with the requirements of Section 1.4 – RFP Timetable
2	The Submission of Proposal must be in in accordance with the requirements of Section 1.6 – Submission of Proposals
3	The Submission of Proposal must be received in accordance with the requirements of Section 1.7 - Fee
4	The Proposal must include the following completed form: <ul style="list-style-type: none"> • Appendix A – Certification Form

8.2. Scored Criteria:

Proposals that meet all of the Mandatory Criteria will be further assessed against the following scored criteria.

Scored Criteria	Weighting	Minimum Score (Out of 100)
Total Fixed Lump Sum Contract Price (based on Appendix B submission)	40%	N/A
Suitability of Method, Team & Schedule (based on Appendix C submission and also the Task Fee Schedules submitted as part of Appendix B)	40%	50
Suitability of Proponent's Experience (based on Appendix D submission)	20%	50

Proposals that do not meet the minimum score within a scored criterion will not be evaluated further.

8.3. Scoring Method:

The following method will be used to score the scored criteria:

- Total Fixed Lump Sum Contract Price: Total Fixed Lump Sum Contract Price will be scored relative to other Proponents' Total Fixed Lump Sum Contract Prices using the following formula:
 - $\text{Lowest Total Fixed Lump Sum Contract Price} \div \text{Proponent's Total Fixed Lump Sum Contract Price} \times \text{Weighting} = \text{Score}$
- Other Criteria: All other criterion (except Total Fixed Lump Sum Contract Price) will be scored by the evaluation committee out of 100, which will then be multiplied by the Weighting factor to provide a weighted score.

8.4. Clarifications & Remedy Period:

Notwithstanding the requirements for mandatory criteria and scored criteria detailed in this Section 6, the District will allow the following remedies and clarifications at its sole discretion:

- consider and analyze Proposal submissions;
- reject any Proposal it considers not in its best interest;
- to request further details or clarification from the Proponent on aspects of a Proposal;
- to provide written notification to a Proponent which identifies any of the mandatory requirements not met and provide the Proponent with 5 calendar days to remedy and supply the requirements. This option to remedy missing requirements shall not apply to Proposals not received by the Closing Date and Time;
- to meet with the Proponents, either individually or collectively, to discuss the RFP and their submissions;
- after identifying the preferred Proponent, to negotiate any changes, amendments or modifications with the preferred Proponent, without offering the other Proponents the right to amend their Proposals;
- to cancel the RFP at any time without incurring liability to any Proponent;
- to reject any or all Proposals;
- not to accept the Proposal with the lowest fee; and/or,
- to alter any aspects of the RFP in its sole discretion.

It is the nature of the RFP process that the RFP and/or the Proposal in response to the RFP will not constitute a binding Contract, but will only form the basis for the Contract, and does not mean that the Proposal is necessarily acceptable in the form submitted.

8.5. Ranking of Proponents:

Following completion of the evaluation against the scored criteria, the weighted scores for each Proposal will be added together, and Proposals will be ranked according to their total weighted scores. The Proponent with the highest-ranked Proposal will be invited to conclude a Contract with the District. In the event that two or more Proposals have an equal total weighted-scored, then the Proponent with the Lowest Total Price will be invited to enter into a Contract with the District.

8.6. Conclusion and Execution of a Contract

Neither the District nor any Proponent will be legally bound to provide or purchase the Services until the execution of a written Contract. Following an invitation to a Proponent, by the District, to conclude a Contract, it is expected that the District and that Proponent would enter into discussions which may include, among other things:

- Clarification or amendment to the scope of work, plus any resulting price adjustments, based on items submitted in the Proposal.

The District would seek to execute a Contract within 30 days of issuing an invitation to the Proponent to conclude a Contract. If the District and Proponent do not, for any reason, execute a Contract within this time-period, the District may discontinue the process with that Proponent and invite the Proponent with the next-highest-ranked Proposal to conclude a Contract. The District may then continue this process until a Contract is executed, or there are no further Proponents, or the District otherwise elects to cancel the RFP process entirely. For clarity, the District may discontinue discussions with a Proponent if at any time the District is of the view that it will not be able to conclude a Contract with that Proponent.
