

PUBLIC NOTICE

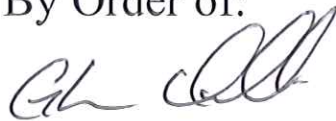

Road Closed to Vehicle Traffic

Due to extreme temperatures, dry conditions and the extreme fire danger rating, effective June 30, 2021 and until further notice, Giant's Head Mountain Park Road is closed to all vehicle traffic.

This closure is in effect to protect public safety and to ensure that emergency equipment and personnel have unobstructed access to the park in event of an emergency.

The Summerland Fire Department thanks the public for their cooperation in complying with this closure.

By Order of:

Glenn Noble, Fire Chief
