**2022 SUMMERLAND ARENA CONCESSION
Application Form**

Please read and understand all terms and conditions stated herein as they form an integral part of the Concession Agreement and continued tenure is dependent on adherence to these requirements.

Applications will be accepted and reviewed up until the opportunity has been filled.

The District of Summerland invites Applications from individuals or business entities that are interested in operating a food and beverage concession business in an existing concession building at the Summerland Arena, 8820 Jubilee Road East, Summerland, BC.

The Licensee will be solely responsible for all operation of the concession and will be operating it as their own business. The Licensee will pay a fee to the District for a Licence of Occupation, in consideration of the opportunity to use the concession building and equipment for their business of selling food and beverages at the arena.

The concession stand includes:

- a) Habso double sliding door cooler, True double sliding door cooler, Frigidaire upright glass door fridge
- b) Garland Grill, 36" gas unit
- c) Frymaster deep fryer
- d) One hot chocolate machine and one coffee machine
- e) Coldstream double door freezer
- f) Kidde fire protection system
- g) Skyline 800 popcorn machine
- h) Small microwave

The District covers utilities costs, equipment repairs and building maintenance. The Licensee must maintain the property in the vicinity of the concession to an excellent standard of cleanliness at all times.

The concession has historically (prior to COVID-19) been operational from approximately September 1 - April 15 of each calendar year. The expectation is that concession services are provided when the arena is reasonably busy due to arena bookings, but the days and hours of operation are at the discretion of the Licensee. Booking schedules will be provided to the Licensee by District Community Services staff as they are finalized so that the Licensee may plan their hours of operation.

The term to operate the food concession will be for one (1) season, ending approximately April 15, 2023. The Licensee may start as soon as the License of Occupation agreement has been executed. There will be an option to renew the contract for up to four (4) additional seasons, upon the mutual agreement of both parties for the renewal period(s).

The District is seeking a License of Occupation fee which is paid monthly.
