

CAMPFIRE BAN RESCINDED WITHIN THE DISTRICT OF SUMMERLAND

Effective 12:00 p.m. (noon), Wednesday, September 9, 2026.

Due to the decreased fire hazard rating within our region, the Municipality of the District of Summerland is rescinding the current CAMPFIRE BAN.

The OPEN BURNING BAN of agricultural wood waste remains in place.

The Summerland Fire Department thanks the public for their cooperation in complying during the temporary ban.
